Use of Cookies

www.alazizijobs.com website may use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your computer by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the web server that you have returned to a specific page. For

example, if you personalize Alazizijobs.com pages, or register with alazizijobs.com site or services, a cookie helps Alazizijobs.com to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as your preferences, your resume, and so on. When you return to the same Alazizijobs.com website, the information you previously provided can be retrieved, so you can easily use the Alazizijobs.com features that you customized. You have the ability to accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the Alazizijobs.com services or websites you visit.

Why are we asking for consent?

At alazizijobs.com we place great importance on our relationship with our users and we want to ensure that you fully understand why and how we collect and use your personal information in order to help you with your career search.

To this end we have prepared the following statement which explains our approach to your personal data and why we need it, and how you can manage your data. Finally, we need you to confirm that give us consent to continue storing your personal data, so that we can provide the services you signed up for. This is a legal requirement as well as something we care a great deal about, so we ask that you read this statement carefully and make an informed decision based on the facts we have supplied.

If you are happy for us to continue to provide our great services to you and have already read the details on this page, you can give your consent via our consent form.

What type of data is collected?

We usually collect the following data, although exactly what we have stored about you may vary depending on which of our services you have used: name, email address, contact details, skills, career preferences (e.g. target salary, location, etc), search criteria, and a CV file/any supporting documents you may have uploaded.

In addition to the information our site directly collects from you, we may also use third-party services, such as Google Analytics, to help us to understand how visitors use our site. The information collected by these third-party services is typically focused on which pages are most often visited, how long users stay on a page, where they have come to the site from.

Generally, this information has limited personally identifiable data, but some services may record your IP address which could be used as a personal identifier.

Why do we need your personal data?

We need to store a certain amount of personal data about you in order to be able provide you with our services and to improve our services and how we deliver them to you. This could be as little as your name and email address, but more often includes your contact details, job preferences, and application information, saved searches/alerts, bookmarked jobs list, CV file, and so on.

For example, in order to be able to process job applications, we need to know who you are,

how to contact you, what your skills are, and a copy of your CV. Likewise, to provide you with job alerts, we need to know your email address and your search criteria, so that we can filter the jobs to your specific requirements and send to you at the interval you have chosen.

alazizijobs.com may also use your personally identifiable information to inform you of other products or services available from the website and its affiliates. alazizijobs.com may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered. We may, from time to time, contact you on behalf of external business partners about a particular offering that may be of interest to you. In those cases, your unique personally identifiable information (e-mail, name, address, telephone number) is not transferred to the third party. alazizijobs.com may share data with trusted partners to help perform statistical analysis, send you email or postal mail, or provide customer support. All such third parties are prohibited from using your personal information except to provide these services to alazizijobs.com, and they are required to maintain the confidentiality of your information. www.alazizijobs.com may keep track of the websites and pages our users visit within Alazizijobs.com, in order to determine what Alazizijobs.com services are the most popular. This data is used to deliver customized content and advertising within Alazizijobs.com to customers whose behavior indicates that they are interested in a particular subject area. Alazizijobs.com will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Alazizijobs.com or the site; (b) protect and defend the rights or property of Alazizijobs.com; and, (c) act under exigent circumstances to protect the personal safety of users of Alazizijobs.com, or the public.

Who has access to your personal data?

Alazizijobs.com are the data processors and controllers and as such our management and employees may have access to your details, as governed by our data access/protection policy. We may also share selected data with job posting/application tracking platforms, job advertisers, and employers in the process of reviewing job applications, to recommend you for potential vacancies, and/or to provide support and guidance to you.

Our technology partner, may also need to access your details to provide technical support in some circumstances. But this access is strictly controlled and limited and your data will not be accessed or used beyond the scope of providing essential maintenance and technical support.

If we offer outsourced services such as CV writing/reviews or similar products that you opt to use, we may need to share selected data about you with these parties in order to deliver the service you have requested.

Third-party service providers such as Google Analytics or other services (e.g. social media sharing services, live chat support services, etc.), may also have limited access to data in the form of our IP address or similar data.

How you can manage your personal data?

Sign in to your account, where you will be able to review your personal data and manage most aspects of the data we store about you from your account's dashboard.

We may also keep some information outside of our website to help us process applications and/or provide additional services to you. Please contact us if you would like more information on data we may store outside of our website.

How long will we keep your personal data for?

Any information you supply may be retained until you update/remove your details. Please refer to our 'privacy policy section for more details on how to manage this data.

Registration data (name, email address, contact details) needs to be kept so that we can provide you with an account and/or contact you with updates about your application(s). Saved job search criteria (i.e. for job alerts) are retained in order for us to be able to provide you with jobs that better match what you are looking for. Profile data (where supplied) is kept so that we can tailor our services to your requirements.

What happens if you don't consent?

All businesses that collect/process personal data are required by law to gain consent from their users to do so. We have taken great efforts to collect as little personal data as necessary to provide our services, and to make the process as transparent as possible. However, given the nature of the recruitment business and the application process, we do still need to collect and retain some personal data. If you do not supply consent or ask for consent to be removed at a later date, we'll comply with this by removing any personal data we hold about you. Where applicable, we'll also remove your account from our systems (as your login details constitute personal data). You will always be more than welcome to come back and re-register with us or apply to any jobs we have posted though, whether that's now or in the future though.
